## INTIMACY COORDINATOR | CONSENT-DRIVEN STORYTELLING

Intimacy Coordinator experienced in supporting **safe, consent-forward environments** across film, television, and theater. Combines a background in **producing and assistant directing** to integrate intimacy practices into **fast-paced production workflows**, while maintaining clear communication between directors and performers.

---

## INTIMACY COORDINATION EXPERIENCE

### Intimacy Coordinator / Consultant (2023–2026)

- Coordinated intimacy protocols across **short films, vertical series, independent productions, and theater**
- Facilitated **boundary-setting conversations** between actors and directors
- Choreographed and supported **physically expressive and sensitive scenes**
- Drafted and implemented **nudity riders and consent documentation; managed closed sets to ensure performer privacy and compliance**
- Collaborated with AD teams to integrate intimacy into scheduling and on-set workflow

---

## SELECT PRODUCTION AFFILIATIONS

AFI · ReelShort · Kalos TV · IPM Productions · Invisible Collective · Gigante Productions · Playhouse West · Skellien Films

---

## RELATED PRODUCTION EXPERIENCE

### Producer & 1st Assistant Director

- Experience across narrative, commercial, and performance-driven productions
- Strong understanding of **set hierarchy, scheduling, and cross-department communication**
- Ability to balance **creative intent with performer safety protocols in active production environments**

---
